"Sec. 2. Section 32-2125.03, Arizona Revised Statutes, is amended to read:

32-2125.03. Confidentiality of licensee's residential address.

electronic mail address, residential telephone number and social security number

A. By filing an original signed statement with the department on a form that is prescribed by the department and that is used for no other purpose, a licensee may request that the department not release the home address and home telephone number of the licensee to any person other than a court, a process server or a governmental agency that will use the information for a legitimate governmental purpose. The signed statement shall indicate why the licensee reasonably believes that there is a risk of personal danger to or harassment of the licensee, the licensee's family or members of the licensee's household and why maintaining the confidentiality of this information will reduce the risk of personal danger or harassment. The department shall honor the licensee's request if, after review, the commissioner determines that maintaining the confidentiality of this information will reduce the risk of personal danger to or harassment of the licensee, the licensee's family or members of the licensee's household.

B. The department may charge a fee for each request made pursuant to subsection A.

e. This section applies only to a natural person who holds, has held or has applied for a license under this article. This section does not apply if a licensee's home address or home telephone number is the same as the licensee's business address or business telephone number.
